

In the more than 200 years of our nation's history there has never been a specific and officially recognized symbol that reminds us daily of the sacrifices made by members of our military and the lives lost in service to our country. We propose the Honor and Remember Flag as a New Hampshire State emblem for that purpose.

I, the undersigned, a New Hampshire citizen support the adoption of the Honor and Remember Flag by the State of New Hampshire. The Honor and Remember Flag shall recognize ALL individuals from all wars or conflicts involving the United States who died while serving our nation. This flag will serve as a symbol of New Hampshire's gratitude for the thousands of men and women who died in service to our country and state to preserve the freedoms we enjoy. The flag will also help the thousands of families who cry out for remembrance of a loved one and it will be a reminder to the citizens of New Hampshire of the importance of each individual life lost.
